

Banding System

An instant solution for clamping. The Banding System offers you the immediate possibility to make your own clamp from the components. Ideal for service & maintenance. Each system is supplied in a dispenser box containing a full length of band and a number of the unique quick-lock housings with screw. The band is perforated, flexible and in stainless steel. Available in 9 or 12 mm band widths.

Banding System/W2B: Screw and housing: Electro zink plated and chromated.
Band: AISI 430.
